2.	Thile the last of the five formations of aircraft were flying past, a company carrying old Hungarian flags from 1848 and 1919 passed source's position. This company was followed by a company of drummers and company of cadets. Subsequently 22 companies of various branches of the service, six of them armed with submachinguns, and the others with model H h8 rifles, marched past 12 abreast. The marchinguns, and the others with model H h8 rifles, marched past 12 abreast. The marchinguns, and the others with model H h8 rifles, marched past 12 abreast. The marchinguns, and the others with model H h8 rifles, marched past 12 abreast. The marchinguns, and the others with model H h8 rifles, apparently H5 mm caliber AT guns; 9 artillery pieces towed by 3-ton ZIS trucks, probably 85-mm AT guns; 9 single-amounters of 160 or 120-mm caliber towed by trucks; 4 artillery pieces towed by trucks, apparently model 1938 122-mm field howitzers; 4 rocket launchers mounted on ZIS trucks, probably model 1943 152-mm field howitzers; 4 rocket launchers mounted on two-axle undercarriages, apparently 37-mm AA guns; 20 artillery pieces of undetermined type of an estimated caliber of 40 to 50 mm also mounted on two-axle undercarriages; 18 two-axle artillery pieces, probably model 31/37 122-mm field guns towed by two-axle artillery pieces, probably model 31/37 122-mm field guns towed by two-axle trucks; and 18 artillery pieces of an undetermined type towed by prime movers having treads. *  They were followed by two tanks, probably of type T 34; 18 5P guns, probably SUguns; and about 20 tanks, probably of types T-34 and JS.	ne ng rved xle y n ed
3。 6X1A *	painted dark green and bearing the coat of arms of the Hungarian People's Republic on the front. The EM wore a shirt-like blouse with a collar and collar patches, buttoned cuffs and breast patch pockets. The epaulets were of the same material as the shirts The officers were blouses with a collar, collar patches and golden epaulets with stripes in the respective service colors and five-point stars to denote their ranks.	ed
